

Hazy Jane I

Nick Drake

Do you curse where you come from,
Do you swear in the night
Will it mean much to you
If I treat you right.
Do you like what you're doing,
Would you do it some more
Or will you stop once and wonder
What you're doing it for.
Hey slow Jane, make sense
Slow, slow, Jane, cross the fence.

Do you feel like a remnant
Of something that's past
Do you find things are moving
Just a little too fast.
Do you hope to find new ways
Of quenching your thirst,
Do you hope to find new ways
Of doing better than your worst.
Hey slow Jane, let me prove
Slow, slow Jane, we're on the move.

Do it for you,
Sure that you would do the same for me one day.
So try to be true,
Even if it's only in your hazy way.

Can you tell if you're moving
With no mirror to see,
If you're just riding a new man
Looks a little like me.
Is it all so confusing,
Is it hard to believe
When the winter is coming
Can you sign up and leave.
Hey slow Jane, live your lie
Slow, slow jane, fly on by.
