

## Kimble

Nick Drake

Kimble wants a nine dollar show  
Kimble wants a nine dollar show  
She wants a nine dollar show  
And I need  
Well Kimble let your hair hang down  
Kimble let your hair hang down

Let your hair hang down  
Til it touches the ground  
Well Kimble let your hair hang down

Kimble let your hair hang down  
Let your hair hang down  
Cause come the morning I'll be gone  
Well Kimble where you been so long

Well Kimble where you been so long  
I've been down in your state pen  
With those rough and rowdy  
Rough and rowdy men  
Well Kimble where you been so long

Well Kimble where you been so long  
I've been down in your state pen  
And I gotta go back again  
Well Kimble where you been so long

Well I wished I was a mole in the ground  
I wished I were a mole in the ground  
I was a mole in the ground  
And that I'd tear this mountain  
I'd tear this mountain down  
Wished I was a mole in the ground
