

If I Didn't Know You

Nick Fradiani

When I was grown up
I never needed anyone
I thought I could make my way
I thought I could fake it
I didn't care if I was wrong

And now I've come to believe that
When I couldn't even conceive it
It all comes down to feeling
Couldn't make it alone, oh

If I didn't know you
I'd probably wasted
I'd probably be on my own
I'd probably be faded
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms

And honey you lift me up
When all of my hope is gone
The sun out here have a way
When I can't take it
Make me want to go on, oh

But now I've come to believe that
When I couldn't even conceive it
It all comes down to feeling
Couldn't make it alone, oh

Cause if I didn't know you
I'd probably wasted
I'd probably be on my own
Ready to cave in
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms

If all your troubles, if you be bad
If you've given up
Well I'll be by your side
Cause girl I'd fight for you
Lay down my life for you
Cause I owe it all to you, all to you, all to you

Cause if I didn't know you
I'd probably wasted
Probably be on my own
Ready to cave in
And if I didn't know you
I'd probably be breaking
Barely just holding on
Instead of holding you in my arms

Oh, oh, oh, oh

Oh, oh, oh, oh
Oh, oh
