

Nothing to Lose

Nick Fradiani

Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh
Ooh ooh ooh

Waking up inside my head
Dreaming 'bout what could've been
Had everything I wanted
Lord tell me where it all went

It all went downhill
Out of nowhere, but I'm still right here going nowhere
I'm down to my last one request
Save my life

I-I-I-I-I got nothing to lose but you
I-I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I-I got nothing to lose but you, ooh

Wasn't perfect, never been
Left you tons of evidence
Lord know I been a bad man
Oh, pull me from the badlands

It all went downhill
Out of nowhere, but I'm still right here going nowhere
I'm down to my last one request
Save my life

I-I-I-I-I got nothing to lose but you
I-I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I-I got nothing to lose but you, ooh

Save my life, you call me
Save my life, I'm sorry
Save my life, so baby
Save my life

Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh
Ooh ooh ooh

Nothing to lose
I-I-I-I-I got nothing to lose but you
I-I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I-I got nothing to lose but you

Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh

Ooh ooh ooh
