

# I Want You

Nick Jonas

Motherfucker never loved me  
Motherfucker never loved me  
So I'll take it back, what I deserve  
'Cause I deserve better

And you say you never need me  
Yeah you say you're gonna leave me  
Well I'd like to see, you try to be  
'Cause I ain't gonna let you go

Moving on, gotta take control  
Staying strong, but it's taking all  
Can't go back, never going back, back, back

I want you and no one else  
I want you for myself  
I want you and nothing else will do  
No one acting confused  
I've got nothing to lose  
I want you and if I can't have you  
Then no one will

So when you think about me  
I know you think about me  
Does it scare you that I know everything  
And I won't keep quiet

You got the key to my heart yeah  
I got the key to your apartment  
Would you let me in or I'm breaking in  
'Cause I ain't gonna let you go

Moving on, gotta take control  
Staying strong, it's taking hold  
Can't go back, never going back, back, back

I want you and no one else  
I want you for myself  
I want you and nothing else will do  
No one acting confused  
I've got nothing to lose  
I want you and if I can't have you

Oh if I see you with someone else  
I would lose my head  
If I had your love for myself  
Don't know what I'd do

I want you and no one else  
I want you for myself  
I want you and nothing else will do  
I'll never let you go (na-na-na-na-na)  
Hey (na-na-na-na-na)  
I'll never let you go (na-na-na-na-na)  
Woah (na-na-na-na-na)  
I'll never let you go (na-na-na-na-na)  
Hey (na-na-na-na-na)

I'll never let you go (na-na-na-na-na)  
Ahhhh

I want you and no one else  
I want you for myself  
I want you and nothing else will do  
No one acting confused  
I've got nothing to lose  
I want you and if I can't have you  
(If I can't have you)  
Oh if I see you with someone else  
I would lose my head  
If I had your love for myself  
Don't know what I'd do (don't know what I'd do)  
I want you and no one else  
I want you for myself  
I want you and nothing else will do  
And nothing else but you
