

# Nothing Would Be Better

Nick Jonas

Nothing is forever, nothing would be better  
Than the love you're giving me  
I just gotta have you, wish you didn't have too  
When you'll gonna set me free?

Like it or not, we were doomed from the start  
I know that you'll agree  
But nothing is forever, nothing would be better  
Better than you and me

Than you and me  
Than you and...

I take the worst of what you got  
It hurts more than sticks and rocks  
You know I'll be there  
You know I'll be there  
And I would be a punching bag  
Throw it all and don't hold back  
Still I'll be there  
You know I'll be there

Cause I used to live in fear, it was my home  
But there are harder things to be than all alone  
You're the broken part of me that makes me whole  
But so unsure

Nothing is forever, nothing would be better  
Than the love you're giving me  
I just gotta have you  
Wish I didn't have too  
When you gonna set me free?

Like it or not, we were doomed from the start  
I know that you'll agree  
But nothing is forever, nothing would be better  
Better than you and me

Than you and me  
Than you and me

We don't turn around unless we're throwing stones  
And we're crawling like there's cracks all in our bones  
You're the broken part of me that makes me whole  
But so unsure

Ohh ohhh  
Ohh ohhh

Nothing is forever, nothing would be better  
Than the love you're giving me  
And I just gotta have you  
Wish I didn't have too  
When You're gonna set me free?

Like it or not, we were doomed from the start  
And I know that you'll agree

But nothing is forever, nothing would be better  
Better than you and me
