

Touch

Nick Jonas

Trust me, I plead
So good for you, baby

(oh no no)

Love me, hate me
Either way we'll go crazy
Go crazy
In the bathroom babe
Cause anyone could... you, babe
But that ain't all I'm into
I wanna get inside you brain
Every part of you

I go from touchin' you with both hands
To touch you with no hands
T-t touchin you
That's my favorite way of touchin you

(favorite way)

No words spoken
I still speak your language
That's what we do
Let the story
In between those pages
Those pages
I don't wanna share it with you
Cause any one could.. you babe
But that ain't all I'm into
I wanna get inside your brain
Every part of you

I go touchin' you with both hands, babe
To touchin' you with no hands
(No hands, no hands)
T-t touchin' you
That's my favorite way of touchin' you
My favorite way

I go touchin' you with both hands
(touchin' with no hands, ohh)
To touchin' you with no hands, no hands
(touchin' with no hands, ohh)
T-t touchin' you
(touchin' with no hands, ohh)
That's my favorite way of touchin' you
I'm touchin you, babe
(touchin' with no hands, ohh)

Cause any one could.. you babe
But that ain't all I'm into, love, no no
I wanna get inside your brain, oh
Oh no
And every paty of you

I go touchin' you with both hands
(touchin' with no hands, ohh)
To touchin' you with no hands, no hands, no hands
(touchin' with no hands, ohh)
T-t touchin' you
(touchin' with no hands, ohh)
My favorite way of touchin' you
(touchin' with no hands, ohh)
My favorite way of touchin' you, touchin you
(touchin' with both no hands, ohh)
