

# Unhinged

Nick Jonas

Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh

Told your mama and your brother you won't compromise  
Say my innocent decision keeps you up at night  
Talk about another man that you've been talkin' to  
Just to see if I'll get mad and I'll fight for you  
But that's not me

And right now my head  
Isn't screwed on right  
And I can't decide what I want

Every sweat just breaks me a little  
And I know you can't take this back and forth  
Is the love already safe for you in the middle?  
When you close that door you see  
It's unhinged, it's just like me

Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh

You're not the first to try and diagnose what's wrong with me  
I'll be the first to admit that I'm hard to please  
I'm afraid to find out that I might be right for you  
Cause it's one step closer to life with you  
And that's not me, yeah

And right now my head  
Isn't screwed on right  
And I can't decide what I want

Every sweat just breaks me a little  
And I know you can't take this back and forth  
Is the love already safe for you in the middle?  
When you close that door you see  
It's unhinged, it's just like me

I ain't scared of my emotions, but I'm afraid to let you see  
Cause I know if I stay open, I won't be what you need

And you close that door you see  
It's unhinged, it's just like me  
When you close that door you see  
It's unhinged, it's just like me

Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh
