

# Voodoo

Nick Jonas

Oh man down  
You're shaking his solid ground  
You're running me wild  
And breaking me down, down  
Desperate now  
Way you do it, I don't know how  
You're drinking me dry  
Throwin' fuel on a fire, fire

And we ain't enough  
If this is what you call love  
I swear I'm better alone  
I feel ya claws sinkin' in  
Gettin' under my skin like

Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back  
And just like that, got me comin' right back like  
Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back  
And I know that I ain't fuckin' with your voodoo  
Voodoo do voo voo voo voo voo

And all my life  
Can't hold on to you this tight  
Phasin' you out  
Just a face in the crowd, baby

And this ain't enough  
If this is what you call love  
I think I'm better alone  
I feel your claws sinkin' in  
Getting under my skin like

Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back  
And just like that, got me comin' right back like  
Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back  
And I know that I ain't fuckin' with your voodoo

Fakin' the rush  
Is almost like callin' it love  
So why are you callin' it love?  
Yeah why are you callin' it love?

Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back  
And just like that, got me comin' right back like  
Voodoo, ee-yea ee-yea  
V-V-Voodoo, ee-yea ee-yea  
You got me too attached, keep me comin' right back

And I know that I ain't fuckin' with your voodoo

Voodoo

Oh no

I ain't fuckin' with your voodoo
