

# Each Time You Break My Heart

Nick Kamen

Each Time You Break My Heart  
Each time you break my heart  
Each time you break my heart

I know how it feels to be the talk of the town  
I'm not gonna let you go and run around  
I need to know that you'll be true to me  
'Cause that's the way it's got to be

Why can't you give your promise to me  
Is love so blind that you cannot see  
I'm trying hard not to walk out the door  
Know that I, oh, know that I can't take no more

Each time you break my heart  
I try to put my pride aside  
Each time you break my heart  
A little voice inside me cries

No matter what you do or say  
I'm gonna love you, I'm gonna love you anyway  
And if you're so sure that I'm not your kind  
How come you can't just walk away

In the beginning we were nothing but glad  
Those were the best days that we ever had  
There's no compassion, all your warmth is gone  
Tell me how, oh, how can I keep holding on

Each time you break my heart  
I try to put my pride aside  
Each time you break my heart  
A little voice inside me cries

I see the look in your eyes  
I know you're hurting inside  
Let me try  
To make you love me again  
I'll say that I knew you when  
You were mine  
You were mine

Each time, oh, yeah

In the beginning we were nothing but glad  
Those were the best days that we ever had  
There's no compassion, all your warmth is gone  
Tell me how, oh, how can I keep holding on

I see the look in your eyes  
I know you're hurting inside  
Let me try  
To make you love me again  
I'll say that I knew you when  
You were mine  
You were mine

Each time you break my heart  
I try to put my pride aside  
Each time you break my heart  
A little voice inside me cries

Each time you break my heart again  
Well I can say I knew you when [each time]  
You were mine

Break my heart  
Don't break my heart  
(REPEAT AND FADE)
