

Oh How Happy

Nick Kamen

Oh how happy you have made me
Oh how happy you have made me
Oh how happy
I have kissed your lips a thousand times
More times than i can count
I have called you mine
You stood by me in my darkest hour
And your love has given me so much power
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Oh how happy
In our years togheter
We've had stormy weather
But our love is so strong
Some how we carry on
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Girl you brought joy in my empty life
And all that was wrong
You have made so right
Our love
Our love
Our love
You have made me Oh so happy
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Oh how happy you have made me
Oh how happy
Oh how happy
Oh how happy
You have made me
You have made me
You have made me
You have made me
