

Turn It Up

Nick Kamen

There's something here between us
And it's something I can't resist
A physical attraction
Feel it every time we kiss

Oh you got me so excited
Still it's not enough
I'm going to try to fight it
'Til I know if this is love

Turn it up turn it up
I got to hear you loud and clear yeah
So turn it up, turn it up

You're playing with my emotions
While keeping yours under control
Screaming your desires
When you should be letting them unfold

There ain't no doubt about it
This has got to stop
I want to shout about it
Let me know if this is love

Turn it up turn it up
I got to hear you loud and clear
So turn it up, turn it up
Turn it up turn it up

I've got to feel if this is real
So turn it up, turn it up
I've got to hear you loud and clear
So turn it up, turn it up
