

All In My Head

Nick Lachey

Satellites blasting through the universe
It's outta sight
It's all in my head
Saw your eyes sending me a message for the last time

Here alone
Holding on to something that I've never known
It's all in my head
I've crossed the line
There's no going back and there's no future

Said she wants to marry me
It's all in my head
That's just not reality
It's over its over
Cause she said its all in my head
It's all in my head

Here on earth
She don't even wanna talk there
Are no words it's outta my hands
So why, why why

Tell me this isn't happening
She said she said
Said she want to marry me
It all in my head
That's just not reality
It over it's over
She said it's all in my head
It's all in my head

Someone wake me up when calls me
It's like I've been asleep and
She gone gone
Someone let her know
I'm not breathing this isn't happening
Tell me this isn't happening

Yeah yeah
It's all in my head
oohh
over
yeah
And she said it's all in my

She said it's all in my head
Every word that she said
yeah
oohh
She said it's all in my head
She wants to marry me
Guess it's not reality
ohhh ohhhh ohhhh
She said its all my ...
