

Edge Of Eternity

Nick Lachey

Destiny cannot be shaken
Fate will send us where we need to be
Many turns our love has taken
But in the end you're standing here with me
Now it's a long road to forever
But together I know we'll find a way

Now we're standin' on the edge
Edge of the eternity you and I
We're standin' hand in hand
Nothing will break our love
I'll cherish you each day 'til I die
For all eternity you and I

My heart's filled with such emotion
You're the reason for the air I breathe
I pledge to you all my devotion
Until death do part you away from me
I've never been so close to heaven
As the moment when I looked into your eyes

We're standin' on the edge
Edge of the eternity you and I
We're standin' hand in hand
Nothing will break our love
I'll cherish you each day 'til I die
For all eternity you and I

And baby together (and baby together)
There is so much we have yet to see
And now and forever (now and forever)
I pray you'll always be here with me
Eternally

We're standin' on the edge
Edge of the eternity you and I
We're standin' on the edge
Edge of the eternity you and I
We're standin' on the edge
Edge of the eternity you and I
We're standin' hand in hand
For all eternity
ooo ooo
For all eternity
