

# Sleepy Eyes

Nick Lachey

Sleepy eyes say goodnight  
Time to kiss the sun goodbye  
Sleepy eyes I'll hold you tight  
Rest until the morning

Favorite books have all been read  
I checked for monsters under the bed  
Teddy's bear and snowflake too  
Off we go to dreamland

No one knows what tomorrow brings  
But I'll be here through everything  
Sleepy eyes say goodnight  
Sweet dreams little one

Cotton candy carousels  
Pennies in the wishing well  
Shining stars are never far  
You can see them dancing

Building castles in the sand  
Catch a firefly if you can  
Skipping stones and ice cream cones  
Morning birds are singing

No one knows what tomorrow brings  
But I'll be here through everything  
Sleepy eyes say goodnight  
Sweet dreams little one

No one knows what tomorrow brings  
But I'll be here through everything  
Sleepy eyes say goodnight  
Sweet dreams little one
