

What's Left Of Me

Nick Lachey

Watch my life,
Pass me by,
In the rear view mirror
Pictures frozen in time
Are becoming clearer
I don't wanna waste another day
Stuck in the shadow of my mistakes

Yeah...

Cause I want you,
And I feel you,
Crawling underneath my skin
Like a hunger,
Like a burning,
To find a place I've never been
Now I'm broken,
And I'm fading,
I'm half the man I thought I would be:
But you can have what's left of me

I've been dying inside,
Little by little,
No where to go,
I'm going out of my mind
An endless circle,
Running from my self until,
You gave me a reason for standing still

And I want you,
And I feel you,
Crawling underneath my skin
Like a hunger,
Like a burning,
To find a place I've never been
Now I'm broken,
And I'm fading,
I'm half the man I thought I would be:
But you can have what's left of me

Falling faster,
Barely breathing,
Give me something,
To believe in
Tell me: It's not all in my head

Take what's left
Of this man
Make me whole
Once again

Cause I want you,
And I feel you,
Crawling underneath my skin
Like a hunger,
Like a burning,
To find a place I've never been

Now I'm broken,
And I'm fading,
I'm half the man I thought I would be:
But you can have what's left of me

I've been dying inside you see
I'm going out of my mind
Out of my mind
I'm just running in circles all the time
Will you take what's left
Will you take what's left
Will you take what's left of me?
Just running in circles in my mind
Will you take what's left
Will you take what's left
Will you take what's left of me?
