

Big Kick, Plain Scrap

Nick Lowe

Big kick, plain scrap
You better shut that trap
Or come and get it.
You kick like a mule.
You eat like a pig.
You drink like a fish.
Oh you're a queer one, baby.
Oh, when you hold me, in the night
On drugs.
You're so nice on drugs.

Big kick, plain scrap
You better cut this crap
Or come and get it.
You monkey around
You playin' with a horse
You fish, of course,
You're a cheap one, baby.

Oh when you kiss me, in the night.
On drugs.
You're so big on drugs.

When you clip me, in the night
Yeah, at the Crest Motel
On drugs.
On drugs.
Drugs, drugs.
So nice on drugs.

Big kick, plain scrap
You better cut this crap
Or come and get it.
You monkey around
You playin' with a horse
You fish, of course,
You're a deep one, baby.

Big kick.
Big kick, plain scrap.

Big kick, big kick, big kick, plain scrap.
When you kiss me,
In the night.
