

Has She Got a Friend?

Nick Lowe

I'm so glad to hear about
The true happiness you've found
And how your retched life
Has been turned around

I can try to achieve joy
For your empty nights now at an end
But what I really want to know
Is has she got a friend?

I'm in wonderment and awe
As you tell it all a new,
But I've got one eye on the door,
Praying someone will walk through.

Got the other eye on my watch
Is it really nearly ten?
Lets cut to the chase pal,
Has she got a friend?

I don't wanna come on strong
But can't we move this along?
Don't you see that it could be she
Who'll end my misery?

Heaven's never seemed so true
Here you go again,
When all I wanna get from you
Is has she got a friend?

I keep checking my watch
Lord, it says it's after ten!
But all I wanna know is
Has she got a friend?
Has she got a friend?
Has she got a friend?
