

# Homewrecker

Nick Lowe

You look like butter wouldn't melt in your mouth  
But I know it will, homewrecker  
You look like you could take candy from a baby  
I've seen you do it, homewrecker

No one can wreck a home better than you can  
And I should know 'cause I'm a homeless man  
All down to you, homewrecker

You look like you could be taken for family  
That's your style, homewrecker  
I don't know what came over me that night  
All I know is once I was a king  
And I turned around and I lost everything  
All down to you, homewrecker

Where am I gonna run, homewrecker?

You look like you could be taken for family  
That's your style  
You look like you could take candy from a baby  
Even a little helpless child  
Not safe in his bed no more  
You're gonna get what you got  
Coming to you someday, homewrecker
