

# I Knew The Bride (When She Used To Rock And Roll)

Nick Lowe

I knew the bride when she used to rock and roll  
I knew the bride when she used to rock and roll

Well, the bride was a picture in the gown that her mama wore  
When she was married herself nearly twenty-seven years before  
The had to change the style a little but it looked just fine  
Stayed up all night, but they got it finished just in time

Now on the arm of her daddy, she's walkin' down the aisle  
I see her catch my eye and give me a secret smile  
Maybe it's too old fashioned, but we once were close friends  
Oh but the way that she looks today, she never could have then.

Well, I can see her now in her tight blue jeans  
Stuffin' all her money in the record machine  
Spinnin' like a top, you should of seen her go  
I knew the bride when she used to rock and roll  
I knew the bride when she used to rock and roll

Well, the proud daddy only want to give his little girl the best  
So he put down a grand on a cozy little lover's nest  
You could have called the reception an unqualified success  
At a posh hotel for a hundred and fifty guests

Well, take a look at the bridegroom smilin' pleased as pie  
Shakin' hands all around with a glassy look in his eye  
He got a real good job and his shirt and tie is nice  
But I remember a time when she never would have looked at him twice

Well, I can see her now drinkin' with the boys  
Breakin' their hearts like they were toys  
She used to do the pony, she used to do the stroll  
I knew the bride when she used to rock and roll [Repeat: x4]

Harp ride

Well, I can see her now with her walk man on  
Struttin' up and down to her favorite song  
I still remember when she used to want to make a lot of noise  
Hoppin' and boppin' with the street corner boys  
She used to wanna party, she used to wanna go  
I knew the bride when she used to rock and roll [Repeat: x4]  
I knew the bride when she used to do the pony  
I knew the bride when she used to rock and roll  
I knew the bride when she used to want to party  
I knew the bride when she used to rock and roll
