

# Lead Me Not

Nick Lowe

Lead Me Not into temptation  
you must please slam that door  
Lead Me Not into the valley  
that I dare not go  
if you should see me cry  
and with a face so long  
then you'll know I've been weak  
when I should have been strong

Lead Me Not into temptation  
you must send me away  
Lead Me Not into the valley  
where I dare not stray  
if you should see me out  
and all forlorn  
then you'll know what I've been doing  
has done me wrong

Lead Me Not into temptation  
Lead Me Not into temptation  
Lead Me Not into the Valley

Lead me Lead me Lead me

Lead Me Not into temptation  
please slam that door  
for I can't resist, I have no will  
you must stop your siren and then be still

Lead Me Not into temptation  
Lead Me Not into temptation  
into the valley into temptation  
Lead Me Not into the endless night  
into the valley  
into temptation
