

# Little Hitler

Nick Lowe

Little Hitler, what you doin'  
Is the passion inflamed again, again  
Little Hitler, where you goin'  
Is it go go night again tonight  
Ever searchin' for the action  
But the action don't want to know  
I said all along you're a tough one  
(Little Hitler)

Little Hitler, what's the matter now  
Can't you settle for the center of attention  
Little Hitler, now I'm serious  
Let me guess why you knocked me  
Off your guest list

As the world turns  
At the edge of night  
And the seed is shot and sown  
I'll make a Little Hitler of my own  
(Little Hitler)

When the goin' gets tough  
The tough get goin'  
Every now and then  
I can see 'em runnin', runnin'  
You can talk with them  
You can be shot with them  
But you'll get no change  
Only shootin' at 'em long range

See you someday soon (Little Hitler)  
Selfish pleasure, yeah (Little Hitler)  
With the one I love (Little Hitler)  
Now you're not alone...yeah (Little Hitler)  
With the one I love (Little Hitler)  
Little Hitler of my own (Little Hitler)
