

No Reason

Nick Lowe

Little darlin' don't look away
You don't have to be sad anymore
'Cause

There ain't no reason
No single reason in the world

Little darlin' please dry your eyes this time
Don't you be sad to me
like you did before
'Cause

There ain't no reason
No single reason in the world

Little darlin' I can understand your pain
There's too much confusion goin' round
and

There ain't no reason
No single reason in the world

No reason in the world
