

# Tonight

Nick Lowe

(Do do do do, do do do do  
Do do do do, do do do do  
Do do do do, do do do do  
Do do do do, do do)

What a fabulous night  
Look at the moon  
And stars are shinin' bright  
It's a wonderful night, all right

Oh, it's so heavenly  
I could almost believe  
It was made especially  
Tonight

There's a place that I know  
A secret place where I sometimes go  
If you wanna know where, we'll go there  
So don't hesitate, 'cause although we're late  
We still carry all the fears

Tonight (Tonight)  
There will be no sorrow  
Tonight (Tonight)  
Don't think about tomorrow  
Tonight we'll do what must be done  
So we won't be the only ones  
Tonight (Tonight)  
How can we fail to fall?  
Tonight (Tonight)  
It's really magical  
Tonight we're just a boy and girl  
The only people in the world tonight

Do do do do, do do do do  
Do do do do, ooh-ooh-ooh, do do do  
Do do do do, do do do do  
La la la, la la la la

Oh, it's so heavenly  
I could almost believe  
It was made especially

Tonight (Tonight)  
There will be no sorrow  
Tonight (Tonight)  
Don't think about tomorrow  
Tonight we're just a boy and girl  
The only people in the world  
Tonight (Tonight)  
How can we fail to fall?  
Tonight (Tonight)  
It's really magical  
Tonight we'll do what must be done  
So we won't be the only ones tonight

Do do do do, do do do do

Do do do do, do do do do  
Do do do do, do do do do  
Do do do do, do do

Do do do do, do do do do  
Do do do do, ooh-ooh-ooh, do do do  
Do do do do, do do do do  
La la la, la la la la
