

What Lack of Love Has Done

Nick Lowe

Well I go around the world
and this is what I do
I say love's a hurting thing
'cause I know it to be true
when I get up in the spotlight
and my story has begun
I try to explain
What Lack of Love Has Done

And though I do it nightly
it never is the same
for its a neverending story
of jealousy and blame
I know what you're saying
that I'm on the run
but theres nowhere to run
from What Lack of Love Has Done

I go around the world
and this is what I do
I climb up on a stage
and I tell them about you
I try to keep it short
i dont want it to go on
so you'll sympathize
after its been told
well I hear what youre saying
that I'm on the run
but theres nowhere to run
from What Lack of Love Has Done

No theres nowhere to run
from What Lack of Love Has Done
What Lack of Love Has Done
What Lack of Love Has Done
What Lack of Love Has Done
