

Out Of The Woods

Nickel Creek

I wish you out of the woods
And into a picture, with me
I wish you over the moon
Come out of the question, and be

If this is gonna
Run, round, in my head
I might as well be dreaming
Run, round, in my head

I roller coaster for you
Time out of mind
Must be heavenly
It's all enchanted and wild
It's just like my heart said
It's gonna be

If this is gonna
Run, round, in my head
I might as well be dreaming
Run, round, in my head

I wish you out of the woods
And into the picture, with me
I wish you over the moon
Come out of the question, and be

If this is gonna
Run, round, in my head
I might as well be dreaming
Run, round, in my head

If this is gonna
Run, round, in my head
I might as well be dreaming
Run, round, in my head
I might as well be dreaming

Run, round, in my head
(Into the picture)
I might as well be dreaming
(With me)
Run, round, in my head

(I wish you out of the wood)
If this is gonna
Run, round, in my head
(Into the picture)
I might as well be dreaming
(With me)
Run, round, in my head
