

## Curb

Nickelback

Have I gone all too far?  
Have I been here before?  
If I have let me know  
How it goes  
Take her place  
And I will  
See her face  
No reason  
Let it slide  
And I will  
Watch her die...  
To run through fields  
To find, and I will  
Hold, then lead, then lie  
And I will... no I won't

Is it now really time?  
Can I just give mine,  
If I can simply trade  
Deal Made

Take her place  
And I will  
See her face  
No reason  
Let it slide  
And I will  
Watch her die...  
To run through fields  
To find, and I will  
Hold, then lead, then lie  
And I will... no I won't

Run, hide away from me  
Desouled, to seek, decide  
And I will, no I won't

Run through fields to find  
Hold then lead, then lie  
And I will  
Run, desouled, and  
Hold, to heal, to find  
And I can't
