Edge of a Revolution

Nickelback

Head high, protest line Freedom scribbled on your sign Headline, New York Times Standing on the edge of a revolution

Hey, hey, just obey Your secret's safe with the nsa In God we trust or the cia Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution Revolution, revolution, revolution

No we won't give up, we won't go away Cause we're not about to live in this mass delusion No we don't want to hear another word you say Cause we know you're all depending on mass confusion No we can't turn back, we can't turn away Cause this time we are relying on the lost solution No we won't lay down and accept this fate Cause we're standing on the edge of a revolution

Wall Street, common thief When they get caught they all go free A brand new yacht and a finders fee Standing on the edge of a revolution

Same shit, different day Can't keep fed if I can't get paid We'll all be dead if the ship don't change Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution Revolution, revolution, revolution

No we won't give up, we won't go away Cause we're not about to live in this mass delusion No we don't want to hear another word you say Cause we know you're all depending on mass confusion No we can't turn back, we can't turn away Cause this time we are relying on the lost solution No we won't lay down and accept this fate Cause we're standing on the edge of a revolution

What do we want? We want the change How we gonna get there? Revolution What do we want? We want the change Standing on the edge of a revolution

What do we want? We want the change How we gonna get there? Revolution What do we want? We want the change Standing on the edge of a revolution
