

# How you remind me

Nickelback

1. Never made it as a wise man  
I couldn't cut it as a poor man stealing  
Tired of living like a blind man  
I'm sick of sight without a sense of feeling  
And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am
  
- R: It's not like you to say sorry  
I want to swing on a different story  
This time I'm mistaken  
For having you, a heart worth breaking, And I've  
Been wrong, I've been down  
But you're the bottom of every bottle  
You stuck words in my head  
You screamed "Mom, we having fun yet?"  
Yeah, yeah, yeah  
Yeah, yeah, yeah
  
2. It's not like you didn't know that  
I said I love you and I swear I still do  
And it must have been so bad  
Cause leaving him must have damn near killed you  
And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am
  
3. Never made it as a wise man  
I couldn't cut it as a poor man stealing  
And this is how you remind me  
And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am
