If Today Was Your Last Day

Nickelback

My best friend gave me the best advice He said each day's a gift and not a given right Leave no stone unturned, leave your fears behind And try to take the path less traveled by That first step you take is the longest stride

If today was your last day and tomorrow was too late Could you say goodbye to yesterday? Would you live each moment like your last? Leave old pictures in the past Donate every dime you have? If today was your last day

Against the grain should be a way of life What's worth the prize is always worth the fight Every second counts 'cause there's no second try So live like you'll never live it twice Don't take the free ride in your own life

If today was your last day and tomorrow was too late Could you say goodbye to yesterday? Would you live each moment like your last? Leave old pictures in the past Donate every dime you have? Would you call old friends you never see? Reminisce of memories Would you forgive your enemies? Would you forgive your enemies? Would you find that one you're dreamin' of? Swear up and down to God above That you finally fall in love If today was your last day

If today was your last day Would you make your mark by mending a broken heart? You know it's never too late to shoot for the stars Regardless of who you are So do whatever it takes 'Cause you can't rewind a moment in this life Let nothin' stand in your way Cause the hands of time are never on your side

If today was your last day and tomorrow was too late Could you say goodbye to yesterday? Would you live each moment like your last? Leave old pictures in the past Donate every dime you have? Would you call old friends you never see? Reminisce of memories Would you forgive your enemies? Would you forgive your enemies? Would you find that one you're dreamin' of? Swear up and down to God above That you finally fall in love If today was your last day
