Lullaby - Nickelback

Capo: 4

[Intro]

[Verse 1]

Well I know the feeling
Of finding yourself stuck out on the ledge
And there ain't no healing
From cutting yourself with the jagged edge

[Verse 2]

I'm telling you that its never that bad
Take it from someone whose been where you're at
Laid out on the floor and your not sure
You can take this anymore

[Chorus]

So just give it one more try to a lullaby
And turn this up on the radio
If you can hear me now I'm reaching out
To let you know that you're not alone
And you can't tell I'm scared as hell
Cause I can't get you on the telephone
So just close your eyes (close your eyes)
Well honey here comes a lullaby
Your very own lullaby

[Verse 3]

Please let me take you
Out of the darkness and into the light
Cause I have faith in you
That you're gonna make it through another night
Stop thinking about the easy way out
There's no need to go and blow the candle out
Because you're not done you're far too young
And the best is yet to come

[Chorus]

So just give it one more try to a lullaby
And turn this up on the radio
If you can hear me now I'm reaching out
To let you know that you're not alone
And you can't tell I'm scared as hell
Cause I can't get you on the telephone
So just close your eyes (close your eyes)
Well honey here comes a lullaby
Your very own lullaby

[Bridge]

Well everybody's hit the bottom
And everybody's been forgotten
When everybody's tired of being alone
Yeah everybody's been abandoned
And left a little empty handed
So if you're out there barely hanging on

[Chorus]

So just give it one more try to a lullaby
And turn this up on the radio
If you can hear me now I'm reaching out
To let you know that you're not alone
And you can't tell I'm scared as hell
Cause I can't get you on the telephone
So just close your eyes (close your eyes)
Well honey here comes a lullaby
Your very own lullaby

[Outro]

Well honey here comes a lullaby
Your very own lullaby
