Nickelback

1. Look at this photograph
Every time I do it makes me laugh
How did our eyes get so red
And what the hell is on Joey's head
This is where I grew up
I think the present owner fixed it up
I never knew we ever went without
The second floor is hard for sneakin' out
 2. This is where I went to school
Most of the time had better things to do
Criminal record says I broke in twice
I must've done it half a dozen times
I wonder if it's too late
Should I go back and try to graduate
Life's better now than it was back then
If I was them I wouldn't let me in ooooooh oh god I
- R: Every memory of looking out the back door
I had my photo album spread out on my bedroom floor
It's hard to say It's time to say it
Every memory of walking out the front door
I found the photo of the friend That I was looking for
It's hard to say It's time to say it
- *: I miss the town
I miss their faces
You can't erase
You can't replace it
I miss it now
I can't believe it
So hard to stay
Too hard to leave it
If I could relive those days
I know the one thing that would never change
- Look at this photograph
Every time I do it makes me laugh
Every time I do it make me
