Nickelback

1. Look at this photograph  
Every time I do it makes me laugh  
How did our eyes get so red  
And what the hell is on Joey's head  
This is where I grew up  
I think the present owner fixed it up  
I never knew we ever went without  
The second floor is hard for sneakin' out
  2. This is where I went to school  
Most of the time had better things to do  
Criminal record says I broke in twice  
I must've done it half a dozen times  
I wonder if it's too late  
Should I go back and try to graduate  
Life's better now than it was back then  
If I was them I wouldn't let me in ooooooh oh god I
- R: Every memory of looking out the back door  
I had my photo album spread out on my bedroom floor  
It's hard to say It's time to say it  
Every memory of walking out the front door  
I found the photo of the friend That I was looking for  
It's hard to say It's time to say it
- \*: I miss the town  
I miss their faces  
You can't erase  
You can't replace it  
I miss it now  
I can't believe it  
So hard to stay  
Too hard to leave it  
If I could relive those days  
I know the one thing that would never change

Every time I do it make me
