

S.E.X.

Nickelback

You know there's a dirty word
Never gonna say it first
No, it's just a thought
That never crosses my mind

Maybe in the parking lot
Better bring your friend along
Better rock together
Than just one at a time

S is for the simplety
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want

Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes, yeah

I'm loving what you wanna wear
I wonder what's up under there
Wonder if I'll ever have it
Under my tongue

I'll love to try to set you free
I love you all over me
Love to hear the sound you make
The second you're done

S is for the simplety
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want

Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes

Yeah, yeah, yeah
(Yes)
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah

S is for the simplety
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want

Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes, yeah

Yes, sex is always the answer, it's never a question

'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask a question
Then it's always yes

Yeah, yeah, yeah

(Yes)

Yeah, yeah, yeah

Yeah, yeah, yeah

(Yes)

Yeah, yeah

Yeah, yeah, yeah

(Yes)

Yeah, yeah
