

## Side Of A Bullet

Nickelback

Uncle Sam taught him to shoot  
Maybe a little too well  
Finger on the trigger, loaded bullet  
He hit the stage so full of rage  
And let the whole world know it  
Six feet away, they heard him say  
"Oh God, don't let him pull it"

Please God, don't let him pull it  
How could you put us through it?  
His brother watched you do it

How could you take his life away?  
(What made you think u had the right?)  
How could you be so full of hate?  
(To take away somebody's life)  
And when I heard you let him die  
And made the world all wonder why  
I sat at home and on my own,  
I cried alone

And scratched your name  
On the side of a bullet

And in the wake of his mistake  
So many lives are broken  
Gone forever from a loaded bullet  
And no excuse that you could use  
Could pull somebody through it  
And to this day so many say  
"God why'd you let him do it?"

How could you let him do it?  
How could you put us through it?  
His brother watched him do it

How could you take his life away?  
(What made you think u had the right?)  
How could you be so full of hate?  
(To take away somebody's life)  
And when I heard you let him die  
And made the world  
all wonder why  
I sat at home and cried alone  
and on my own  
I scratched your name  
On the side of a bullet [3x]
