

Someday

Nickelback

1. How the hell did we wind up like this
Why weren't we able
To see the signs that we missed
try to turn the tables
I wish you'd unclench your fists
And unpack your suitcase
Lately there's been too much of this
But don't think its too late

R: Nothin's wrong
just as long as
you know that someday I will
Someday, somehow
I'm gonna make it allright but not right now
I know you're wondering when (You're the only one who knows that)
Someday, somehow
I'm gonna make it allright but not right now
I know you're wondering when

2. Well I hoped that since we're here anyway
We could end up saying
Things we've always needed to say
So we could end up stringing
Now the story's played out like this
Just like a paperback novel
Lets rewrite an ending that fits
Instead of a hollywood horror

R: Nothin's wrong
just as long as
you know that someday I will
Someday, somehow
I'm gonna make it allright but not right now
I know you're wondering when (You're the only one who knows that)
Someday, somehow
I'm gonna make it allright but not right now
I know you're wondering when (You're the only one who knows that)
