

## Where?

Nickelback

Oh, ohh, ohh, yeah  
oh, ohh, ohh, yeah

I was wrong to think  
That I could ever trust in you  
I was wrong to think that you  
Might want to trust me too

Here I am, here I am, here I'll stand  
Here I am, here I am, here I am, here I'll stand

I was wrong to think  
That I could ever love in you  
I was wrong to think that you  
Might want to love me too

Here I am, here I am, here I'll stand  
Here I am, here I am, here I am, here I'll stand

So where the hell are you  
So where the hell are you  
So where are you when I need someone too  
And I am hating you

oh, ohh, ohh yeah  
oh, ohh, ohh yeah

Here I am, here I am, here I'll stand  
Here I am, here I am, here I am, here I'll stand

So where the hell are you  
So where the hell are you  
So where are you when I need someone too  
Well I'm tired of hating you

oh, ohh, ohh, yeah  
oh, ohh, ohh
