

# Automatic

Nicki Minaj

I can't control the way I'm moving my hips  
Bet you never ever seen it like this  
I'm a monster on the floor I can't quit  
No no it's automatic, it's automatic

It's automatic I'm a runaway train  
And it's likely that I tear up this place  
When I go, I go hard  
I'mma show you best how tonight

It's automatic my condition's unknown  
There's no remedy, and no antidotes  
It's just the way that I am  
Nicki, Nicki, so bad tonight, night ah ah ah ah

I can't control the way I'm moving my hips  
Bet you never ever seen it like this  
I'm a monster on the floor I can't quit  
No no it's automatic, it's automatic

Eh eh eh eh eh eh  
It's automatic  
Eh eh eh eh eh eh  
It's automatic

It's automatic some might call it insane  
I assure you I'd be stuck in your brain  
You be falling for me boy  
Yeah just like a domino tonight, night

It's automatic when I'm rockin the beats  
Systematically I'm dropping your heat  
It's just the way that I am  
Nicki, Nicki, so bad tonight, night ah ah ah ah

I can't control the way I'm moving my hips  
Bet you never ever seen it like this  
I'm a monster on the floor I can't quit  
No no it's automatic, it's automatic

Eh eh eh eh eh eh  
It's automatic  
Eh eh eh eh eh eh  
It's automatic

Press rewind, press rewind  
Einstein, I'm looking for that Einstein  
Wales, London, Ireland, Scotland, I get idoled in South Africa and Brazil  
Shut the club down, bring the bill  
Bring the bill, bring the bill, bring the bill  
Shut the club down, and bring the bill

I can't control the way I'm moving my hips  
Bet you never ever seen it like this  
I'm a monster on the floor I can't quit  
No no it's automatic, it's automatic

Eh eh eh eh eh eh  
It's automatic  
Eh eh eh eh eh eh  
It's automatic
