

Grand Piano

Nicki Minaj

Am I just a fool?
Blind and stupid for loving you
Am I just a silly girl?
So young and naive to think you were the one who came to take claim of this heart
Cold-hearted, shame you'll remain just a frame in the dark

(And now the people)
The people are talking, the people are saying
That you have been playing my heart like a grand piano
The people are talking, the people are saying
That you have been playing my heart like a grand piano
So play on, play on, play on
Play on, play on, play on
Play on, play on, play on
Play on, play on

Am I queen of fools?
Wrapped up in lies and foolish truths
What do I see in you?
Maybe I'm addicted to all the things you do
'Cause I keep thinking you were the one who came to take claim of this heart
Cold-hearted, shame you'll remain just a frame in the dark

The people are talking, the people are saying
That you have been playing my heart like a grand piano
The people are talking, the people are saying
That you have been playing my heart like a grand piano
So play on, play on, play on
Play on, play on, play on
Play on, play on, play on
Play on, play on
