

## Moment 4 Life

Nicki Minaj

I fly with the stars in the skies  
I am no longer trying to survive  
I believe that life is a prize  
But to live doesn't mean you're alive  
Don't worry 'bout me and who I fire  
I get what I desire, it's my empire  
And yes I call the shots, I am the umpire  
I sprinkle holy water upon the vampire  
In this very moment I'm king  
In this very moment I slay Goliath with a sling  
In this very moment I bring, put it on everything  
That I will retire with the ring  
And I will retire with the crown, yes  
No, I'm not lucky, I'm blessed, yes  
Clap for the heavy weight champ, me  
But I couldn't do it all alone, we  
Young money raised me, grew up out in Baisley  
South side Jamaica, Queens and it's crazy  
Cause I'm still hood, Hollywood couldn't change me  
Shout out to my haters,  
Sorry that you couldn't faze me  
Ain't being cocky, we just vindicated  
Best believe that what we done this moment  
Will be syndicated, I don't know  
This night just remind me of  
Everything they deprived me of  
Put your drinks up  
It's a celebration every time we link up  
We done did everything they could think of  
Greatness is what we on the brink of

I wish that I could have this moment  
For life, for life, for life  
Cause in this moment I just feel so  
Alive, alive, alive

I wish that I could have this moment  
For life, for life, for life  
This is my moment I just feel so  
Alive, alive, alive

When I tell them hoes bow, bow, bow to me  
Drop down to your knees  
Young Money, the mafia, that's where the love cease  
I'm in a Dominican, Big Papi Ortiz  
Doing Target Practice  
All these Bitches just aiming to please  
Shout out to the C.E.O., 500 degrees  
Shout out to the O.V.O. Red wings and Fatigues ah  
Niggas wanna be friends,  
How coincidental, this was supposed to be ya'll year?  
We ain't get the memo  
A young king, pay me in gold  
Forty got a bunch of weed, he ain't even rolled  
These niggas be dropping songs  
They ain't even cold  
Weezy on top and that nigga ain't even home...Yet

Yeah, be very afraid  
These other rappers getting bodied and carried away  
Fuck it, me and Nicki nick getting married today  
And all you bitches that be hating  
Can catch the bouquet  
Ooh, yeah, you a star in my eyes  
You and all them white girls, party of five  
Are we drinking a little more, I could hardly decide  
I can't believe we really made it  
I'm partly surprised  
I swear, damn, this one for the books  
Man, I swear this shit is as fun as it looks, man  
I'm really trying to make it more than what it is  
Cause everybody dies but not everybody lives

I wish that I could have this moment  
For life, for life, for life  
Cause in this moment I just feel so  
Alive, alive, alive

I wish that I could have this moment  
For life, for life, for life  
This is my moment I just feel so  
Alive, alive, alive

This is my moment  
I waited all my  
Life, I can tell it's time  
Drifting away, I'm  
One with the sunsets  
I have become alive

I wish that I could have this moment  
For life, for life, for life  
Cause in this moment I just feel so  
Alive, alive, alive

I wish that I could have this moment  
For life, for life, for life  
This is my moment I just feel so  
Alive, alive, alive, alive
