

Lawns of Dawns

Nico

Can you follow me
Can you follow my distresses
My caresses
Fiery guesses

Swim and sink into
Early morning mercies

He blesses you
He blesses me
The day the night caresses

Caresses you, caresses me
Can you follow me

Dawn your guise has filled my nights with fear
At each closing of my eyes
You never see these pictures in my mind
Can you follow me

Aside from leaving overdrawn caresses
Aside from having thrown a joke on you and me
Can you follow me

I cannot understand the way I feel
Until I rest on lawns of dawns
Can you follow me
