

# The Fairest of the Seasons

Nico

Now that it's time  
Now that the hour hand has landed at the end  
Now that it's real  
Now that the dreams have given all they had to lend  
I want to know do I stay or do I go  
And maybe try another time  
And do I really have a hand in my forgetting?

Now that I've tried  
Now that I've finally found that this is not the way,  
Now that I turn  
Now that I feel it's time to spend the night away  
I want to know do I stay or do I go  
And maybe finally split the rhyme  
And do I really understand the undernetting?

Yes and the morning has me  
Looking in your eyes  
And seeing mine warning me  
To read the signs carefully.

Now that it's light  
Now that the candle's falling smaller in my mind  
Now that it's here  
Now that I'm almost not so very far behind  
I want to know do I stay or do I go  
And maybe follow another sign  
And do I really have a song that I can ride on?

Now that I can  
Now that it's easy, ever easy all around.  
Now that I'm here  
Now that I'm falling to the sunlights and a song  
I want to know do I stay or do I go  
And do I have to do just one  
And can I choose again if I should lose the reason?

Yes, and the morning  
Has me looking in your eyes  
And seeing mine warning me  
To read the signs more carefully.

Now that I smile,  
Now that I'm laughing even deeper inside.  
Now that I see,  
Now that I finally found the one thing I denied  
It's now I know do I stay or do I go  
And it is finally I decide  
That I'll be leaving  
In the fairest of the seasons.
