

## Neptune City

Nicole Atkins

You can't see me from this view  
All the way down  
Trailing the procession  
I'll hide out a few more days  
Then I'll be leaving this place soon

Our hearts are singing out just for you  
A cemetery song for summer  
And if we knew just what we could do  
A cemetery song we'd not sing

I'm sitting over Neptune City  
I used to love it  
It used to be pretty  
I'll come down, walk around a while  
Until I'm sure I can never go home again

Maybe if I paid attention  
I could learn to love the landscape I was born to  
By the river in the rain  
Let it make me new again

Our hearts are singing out just for you  
A cemetery song for summer  
And if we knew just what we could do  
A cemetery song we'd not sing

I'm sitting over Neptune City  
I used to love it  
It used to be pretty  
I'll come down, walk around a while  
Until I'm sure I can never go home again
