

Gifts From You

Nicole C. Mullen

Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Wrapped up in skin of every shade and hue

Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you

Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Wrapped up in skin of every shade and hue

I got my mama, my daddy, grandpa, granny
Inlaws, and outlaws, uncles and my aunties
Got my nieces, nephews, cousins out the wazoo
Got my sisters and brothers
And a handsome husband too

Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Got a Christmas tree full of gifts from you
Wrapped up in skin of every shade and hue

I got my mama, my daddy, grandpa, granny
Inlaws, and outlaws, uncles and my aunties
Got my nieces, nephews, cousins out the wazoo
Got my sisters and brothers
And a pretty wife too

Got a Christmas tree full of gifts from you
