

Gon' Be Free

Nicole C. Mullen

I'm gon' be free
I'm gon' be free

Loose my from chains
Cleanse me from my stains
Heal me from my shame, yeah

Give me wings to try
Point me to the sky
Cheer me as I fly

'Cause I'm, I'm gon' be free
No boundry of slavery
Can't hold back my liberty

'Cause who the Son sets free
Is absolutely free indeed
That they cannot take from me
'Cause I, I, I'm gon' be free

So tell me what you know
Give me seeds to sow
Leave me room to grow, oh

Love me like a friend
Teach me how to bend
Watch me walk within

'Cause I'm, I'm gon' be free
No boundry of slavery
Can't hold back my liberty

'Cause who the Son sets free
Is absolutely free indeed
That they cannot take from me
'Cause I, I, I'm gon' be free

He released me from my chains
He has washed away my stains
He has healed me from my shame, I'm free

No matter might come my way
Whether sun or stormy days
God will help me come what may
The reason why I sing

'Cause I'm, I'm gon' be free
No boundry of slavery
Can't hold back my liberty

'Cause who the Son sets free
Is absolutely free indeed
That they cannot take from me

'Cause I'm, I'm gon' be free
No boundry of slavery
Can't hold back my liberty

'Cause who the Son sets free
Is absolutely free indeed
That they cannot take from me
'Cause I, I, I'm gon' be free

I, I, I'm gon' be free
I, I, I'm gon' be free
I, I, I'm gon' be free

I'm gon' be
I'm gon' be
I'm gon', I'm gon' be free
Help me sing

I'm free to be
I'm free to be
I'm free to be me

I'm free to be
I'm free to be
I'm free to be me

I'm free to be
I'm free to be
I'm free to be me

I'm free to be
I'm gon' be
I'm gon' be
I'm gon' be free
