

# Music Of My Heart

Nicole C. Mullen

I'm not ashamed to tell the whole world, ohh  
Without You, I'm nothing at all, all  
That I have strings in need of mendin'  
I'm out of tune in certain parts

So strong, the chords of mercy  
Restore my soul completely  
Lay Your hand upon me  
And this instrument will breathe

'Cause You're the music of my heart  
(Yeah, yeah, yeah, yeah)  
The melody within my soul  
(Yeah, yeah, yeah, yeah)  
The song that holds me in the dark  
(Yeah, yeah, yeah, yeah)  
The fire that warms me when I'm cold  
(Yeah, yeah, yeah, yeah)

The symphony that calms my fear  
(Yeah, yeah, yeah, yeah)  
The lyric that I long to hear  
(Yeah, yeah, yeah, yeah)  
The masterpiece, the work of art  
Complete before I start, the music of my heart

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

Creator of all that is lovely, ohh  
Write a tune upon my heart  
And when You finish will You play me  
Like a beautiful guitar?

Strong, the chords of mercy  
Restore my soul completely  
Bring life unto me  
And this instrument will sing

'Cause You're the music of my heart  
(Yeah, yeah, yeah, yeah)  
The melody within my soul  
(Yeah, yeah, yeah, yeah)  
The song that holds me in the dark  
(Yeah, yeah, yeah, yeah)  
The fire that warms me when I'm cold  
(Yeah, yeah, yeah, yeah)

The symphony that calms my fear  
(Yeah, yeah, yeah, yeah)  
The lyric that I long to hear  
(Yeah, yeah, yeah, yeah)  
The masterpiece, the work of art  
Complete before I start, the music of my

(Ha-ha-ha-ha-heart of my heart)  
I'm captivated

(Ha-ha-ha-ha-heart of my heart)  
My soul's elated  
(Ha-ha-ha-ha-heart of my heart)  
Because every single light's full of love divine  
Wrap me like a valentine

You're the music of my heart  
(Yeah, yeah, yeah, yeah)  
The melody within my soul  
(Yeah, yeah, yeah, yeah)  
The song that holds me in the dark  
(Yeah, yeah, yeah, yeah)  
The fire that warms me when I'm cold  
(Yeah, yeah, yeah, yeah)

Now You're the symphony that calms my fear  
(Yeah, yeah, yeah, yeah)  
The lyric that I long to hear  
(Yeah, yeah, yeah, yeah)  
The masterpiece, the work of art  
Complete before I start, the music of my heart

Yeah, the music of my heart  
(Ha-ha-ha-ha-heart of my heart)  
The music of my heart  
(Ha-ha-ha-ha-heart of my heart)  
The music of my heart
