

First Time

Nicole Scherzinger

I'm on nailing, manicure pedicure
Uh yeah baby, let me do it
Make me a bad girl, let me do it
Damn right, I need air light
Manicure, pedicure, gone girl let me do it
You can't make me come, let me do it

If I need you to touch and lie
If I swear that in my life
Don't you make me do the right things?!
When I say I'm done for the night, do something
Make me change my mind
All night long, with you do the wrong thing

Tell me a million lies,
Broken hearts a million times
Baby make me feel so blind
Come revive this heart of mine

(Put it on me, put it on me
Put it on me, put it on me)
Come make me feel
(Put it on me, put it on me
Put it on me, put it on me)
Feel something real
(Put it on me, put it on me
Put it on me, put it on me)
I wanna feel like it was for the very first time
(2x)

You know exactly how I feel when I'm around you,
And you know exactly what to do when you're around me, baby
Rock my body, don't sleep
And gon' be all you can be,
I'll be everything you need ooh!

Tell me a million lies,
Broken hearts a million times
Baby make me feel so blind ,
Come revive this heart of mine!

(Put it on me, put it on me
Put it on me, put it on me)
Come make me feel !
(Put it on me, put it on me
Put it on me, put it on me)
Feel something real!
(Put it on me, put it on me
Put it on me, put it on me)
I wanna feel like it was for the very first time
(2x)

I-I-I can't get enough of your love,
Baby tell me that is real,
Boy, can you tell me shit, don't lie?!
'Cause I'm into deep!
I-I can't sleep, don't eat

I need you baby!
I need you baby!

(Put it on me, put it on me
Put it on me, put it on me)
Come make me feel !
(Put it on me, put it on me
Put it on me, put it on me)
Feel something real!
(Put it on me, put it on me
Put it on me, put it on me)
I wanna feel like it was for the very first time
(2x)

(Put it on me, put it on me
Put it on me, put it on me
Put it on me, put it on me
Put it on me, put it on me)
