

Groove Tonight

Nicole Scherzinger

America I present to you
Nicole
Along with Mannie Fresh

Take a long look
Cause I'm here tonight
Time to step out
Start the evening right
Your my one man
You know how to please with your smooth
You got all I need
Come on we're wasting time (We're wasting time)
I know what's on your mind (What's on your mind)
You want to be with me that's right
And you know I can't wait to rock with you

Let's groove tonight
I wanna move and groove with my boo tonight
Let's groove tonight baby let's groove tonight

I'm addicted to the way you touch
And your kisses I can't get enough
When we're grooving uh baby dip it low
I'm in heaven
Never ever let me go
I just can't help myself (Can't help myself)
I don't want no one else (No one else)
Just you my boo alone with me
Yeah you know I can't wait to rock with you

Let's groove tonight
I wanna move and groove with my boo tonight
Let's groove tonight baby let's groove tonight

Hey shorty what it is like the way you shake
That's somethin' that a man can appreciate
Me and you should get together somethin' like a date
I'm digging you you could digging me and that's so great
Now everytime I see you drop it
You break it down and make the whole club chuck it
The way you pick it up turn around and pop it
I wish I could be the XX in your XXX

Let's groove tonight
I wanna move and groove with me boo tonight
Let's groove tonight baby let's groove tonight (2x)
