Heartbeat
Heartbeat Heart-heartbeat
Heartbeat
Heartbeat
Heartbeat Heart-heartbeat

I saw you talking on the phone
And know that you were not alone
But you stealing my heart away
Yeah you're stealing my heart away

You're acting like you're on your own
But I saw you standing with a girl (hmmm)
Stop tryin' to steal my heart away
Stop tryin' to steal my heart away

I don't know where we going?
I don't know who we are?

I can feel your heartbeat
I can feel your heartbeat (he said to me)
I can feel your heartbeat (running through me)
Feel your heartbeat
She said
I can feel your heartbeat (she said to me)
I can feel your heartbeat (she said to me)
I can feel your heartbeat (running through me)
Your heartbeat, feel your heartbeat

Maybe it's the way you move
You got me dreaming like a fool
That I could steal your heart away
I could steal your heart away

No matter what it is you think
I'm not the kind of girl to break
And give my heart away
Stop trying to steal my heart away

I don't know where we going?
I don't know who we are?

I can feel your heartbeat (he said to me)
I can feel your heartbeat (he said to me)
I can feel your heartbeat (running through me)
Your heartbeat
Feel your heartbeat
She said
I can feel your heartbeat (she said to me)
I can feel your heartbeat (she said to me)
I can feel your heartbeat (running through me)
Feel your heartbeat

Stop stealing my heart away
Stop stealing my heart away
Stop stealing my heart away
You're stealing my heart away

I don't know where we're going
I don't know who we are
It feels like we are flowing
High above the stars, stars, the stars, the stars, the stars

I can feel your heartbeat (he said to me)
I can feel your heartbeat (he said to me)
I can feel your heartbeat (running through me)
Your heartbeat
Feel your heartbeat

Stop stealing my heart away (Just tell it to me girl)
Stop stealing my heart away (Ooo) (Give it to me boy)
Stop stealing my heart away
Your heartbeat, your heartbeat
