Yeah

I'm just tryin' a
Let off Some Steam

It's Friday
The Clock is Moving Way too Slow
Can't wait to get out the door
And put my move down

I got all my girls with me
.....A Little More Promise Free
I'm in my groove now
All we wanna do is just

Just Let off Some Steam
(I I wanna)
Let off some Steam
(I Just wanna)
Let off some Steam
(I I wanna)
Let off Some Steam
Let off Some Steam

I'm moving like it's gonna be the last time I go out
(Stop Playing)
So I don't care as the DJ brings the beat up
(Lovin' ya back)

I battle if you loose a Feet Makes no sense
So in Motion when your up Against me
I'm in My Groove Now
All we wanna do is just

Just Let off Some Steam
(I I Wanna)
Let Off some Steam
(I Just Wanna)
Let Off some Steam
(I I wanna)
Let off Some Steam
Let off Some Steam

When I'm on the Floor
The music takes over
I go Somewhere,
Somewhere for, for
...Everyone and Everything
This is Where I need to Be
Sometimes I just wanna Break Free and let off Some Steam

Just Let off Some Steam
(I I Wanna)
Let Off some Steam
(I Just Wanna)
Let Off some Steam
(I I wanna)
Let off Some Steam

Let off Some Steam

Just Let off Some Steam

(I I Wanna)

(I I wanna)

Let off Some Steam
